Please answer the questions below:

1. Have you been in contact with anyone who has been suspected of, or diagnosed with or has been exposed to COVID-19? \_\_\_\_\_
2. Do you have any of the following symptoms?  
Fever \_\_\_\_\_  
Cough \_\_\_\_\_  
Shortness of breath \_\_\_\_\_  
Persistent pain in chest \_\_\_\_\_

If you have answered yes to any of these questions, you will be denied boarding.

For the safety and well-being of our passengers and employees, we require all passengers to wear face masks over their mouth and nose at all times; this includes check-in, during the boarding process, during the trip, and while disembarking. If a passenger refuses to wear a mask, they will be denied boarding.

With mandatory facemasks, authorities do not require the 2 metres between people, but we're taking extra precautions. Although our coaches seat 52 people, we ask that only every second seat be occupied. 2 people from the same "family bubble" may sit together.

We ask that all passengers remember to distance themselves while waiting to board or disembark.
